The Association shall at all times be responsible for maintaining the Common Property which shall remain the property of the Developer until such time as it shall be conveyed to the Association. When the Developer no longer owns any lots within the Property or, at the Developer's option, at any earlier time, the Common Property shall be conveyed to the Association subject to any taxes for the year of conveyance, restrictions, conditions, limitations, easements of record for drainage and public utilities and perpetual non-exclusive easement for ingress and egress granted to the Association and the Association shall accept such conveyance. Notwithstanding anything contained in this Declaration to the contrary, the Developer hereby reserves the right to designate and convey to the Association, any water and sewer lines or facilities which serve improvements within the Subdivision as Common Property at any time prior to the fifth (5th) anniversary of the date of recording this Declaration. Every member of the Association shall have a right of use and an easement of enjoyment in and to the Common Property which shall be appurtenant to, and pass with, the title to every Lot, subject to the following:

4.1.1 The right of the Association to take such steps as are reasonably necessary to protect the Common Property against foreclosure.

4.1.2 The right of the Developer or the Association to grant easements and rights of way as either may deem appropriate for the proper development and maintenance of the Property, including and without limitation, the Developer's right to reserve an easement for itself, its successors and assigns for ingress, egress, maintenance, drainage and utilities over all roadways and the Property.

4.1.3 All provisions of this Declaration, any plats of all or any parts of the Property, and the Articles and Bylaws of the Association.

4.1.4 Rules and regulations governing use and enjoyment of the Common Property adopted by the Association. Easements and restrictions of record affecting any part of the Common Property.

4.1.5 The Owner of each Lot may construct a driveway from his Lot to the nearest edge of pavement of a Roadway (as defined in Section 13.2 of this Declaration) across the Limited Common Area of his Lot after obtaining architectural approval of the location, design and composition of the driveway. These driveways are hereby designated for the exclusive use of the Owners of the Lots served, their guests, invitees and authorized delivery persons.

4.1.6 The exclusive use rights of individual Lot Owners as provided in Section 7.4.

#### ARTICLE V THE ASSOCIATION

Section 5.1 Membership. Each Owner including the Developer (at all times so long as it owns any part of the Property subject to this Declaration) shall be a member of the Association, provided that any such person or entity who holds such interest only as security for the performance of an obligation shall not be a member. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot which is subject to assessment.

Section 5.2 Classes and Voting. The Association shall have such classes of membership as are set forth in the Articles of the Association.

#### ARTICLE VI COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 6.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot within the Subdivision other than the Developer hereby covenants, and by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual assessments or charges, and any special assessments for capital improvements or major repair against such property. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. All such assessments, together with interest thereon from the due date at the highest lawful rate and costs of collection thereof (including reasonable attorneys fees), shall be a charge on the Lot and shall be a continuing lien upon the Lot(s) against which each such assessment is made, and shall also be the personal obligation of the Owner. No Owner may avoid liability for the assessments by waiver of rights to use, or by non-use of, the Common Property or by abandonment.

Section 6.2 Purpose of Assessments. The annual and special assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the Subdivision and in particular for the improvement and maintenance of the Common Property and of any easements in favor of the Association. Assessments may be used for the cost of taxes on the Common Property, insurance, labor, equipment, materials, management, maintenance and supervision thereof, as well as for such other purposes as are permissible activities of, and are undertaken by the Association.

Section 6.3 Rate of Assessment. All annual and special assessments shall be levied and collected at a uniform rate for each Lot subject to assessment.

Section 6.4 Annual Assessments. The Board shall fix annual assessments in accordance with the provisions of this Article VI to meet the projected financial needs of the Association. The Board's decision as to the amount of the annual assessment and manner of collection shall be dispositive.

Section 6.5 Supplemental Assessments. If the Board fixes the annual assessment for any year and thereafter during such year determines that the necessary functions of the Association cannot be funded by such assessment, the Board may, by majority vote, levy a supplemental assessment, which shall not be considered a special assessment pursuant to Section 6.6 hereof.

Section 6.6 Special Assessment for Capital Improvements and Major Repairs. In addition to any annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement including the necessary fixtures or replacement of a capital improvement including the necessary fixtures and personal property related thereto. Any such special assessment shall be approved by two-thirds (2/3) of the members of the Board.

Section 6.7 Developer's Assessments. During the Development Period (as defined below) the Lots and other parcels within the Subdivision owned by the Developer shall not be subject to any annual, supplemental or special assessment levied by the Association or to any lien for subdivision assessments. During the Development Period the Developer shall pay the balance of the actual operating expenses of the Association (excluding costs of major repairs, replacements and reserves) remaining after assessment of and payment of assessments due from Owners other than the Developer at assessment rates equal to the budgeted levels. The Developer shall be obligated to fund such expenses only as they are actually incurred by the Association during the Development Period. The Development Period shall begin upon the conveyance of the first lot in the Subdivision to an Owner other than the Developer and shall continue until the Developer shall notify the Association that it will no longer pay for operating deficits of the Association. Upon the termination of the Developer's agreement to pay operating deficits, the Developer shall become obligated to pay assessments on Lots it owns within the Subdivision on the same basis as other Owners. In no event shall the Developer be obligated to pay for operating deficits of the Association after the Developer no longer owns any Lots within the Subdivision.

Section 6.8 Negligence. Any Owner shall be liable to the Association for the expense of any maintenance, repair or replacement of the Common Property rendered necessary by his act, neglect or carelessness or by that of his family or his guests, employees, agents, issues or other invitees. This expense shall become part of the Assessment to which such Lot and Owner are liable under the Article. As such, it shall be a lien upon such Lot and obligation of the Owner and shall become due and payable in all respects as provided hereunder.

Section 6.9 Date of Commencement of Annual Assessments and Due Dates. The assessments shall commence on the first day of a specified month fixed by the Board to be the date of commencement. Assessments shall be collected in advance on not

less frequently than a quarterly basis. The payment schedule and due date of any assessments shall be fixed in the resolution authorizing such assessments.

Section 6.10 Duties of the Board in Fixing Assessments. The Board shall fix the date of commencement, and the amount of the assessment against each Lot and other portions of the Property, and the payment schedule and the due date at least thirty (30) days in advance of the beginning of the fiscal year. The Board shall prepare or cause to be prepared a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any member during normal business hours. Written notice of the assessment shall be sent to every Owner subject thereto not later than thirty (30) days after approval of the assessment by the Board.

The Association shall, upon demand at any time, furnish to any Owner liable for such assessment a certificate in writing signed by an officer of the Association, setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 6.11 Effect of Non-Payment of Assessment; Lien, Personal Obligation, Remedies of Association. The lien of the Association shall be effective from and after recording in the public records of St. Johns County, Florida, a claim of lien stating the description of the Lot encumbered thereby, the name of the Owner, the amount, and the due date. Such claim of lien shall secure assessments, interest, and costs of collection which shall specifically include court costs, reasonable attorneys' fees, and advances to pay taxes and prior encumbrances and interest thereon, which are due and payable when the claim of lien is recorded and which may accrue thereafter and prior to voluntary payment or the entry of a final judgment of foreclosure or personal judgment against the Owner(s). Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record, and the affected Lot Owner shall pay the cost of such satisfaction.

If any assessment is not paid within fifteen (15) days after its due date, such assessment shall bear interest from its due date at the highest lawful rate, and the Association may at any time thereafter bring an action in foreclosure and/or a suit on the personal obligation of the Owner(s).

Section 6.12 Subordination to Lien of Mortgages. The lien of the assessments provided for by this Declaration shall be subordinate to the lien of any first mortgage to a federal or state chartered bank, mortgage company, life insurance company, federal or state savings and loan association or real estate investment trust which is perfected by recording prior to the recording of a claim of lien for any such unpaid assessments by the Association. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot by deed in lieu of foreclosure of such Lot or pursuant to a decree of foreclosure, and in any other proceeding in lieu of foreclosure of such mortgage. The total amount of assessment which remains unpaid as a result of a first mortgagee obtaining title to the Lot, shall be added to the total budget of the Association and paid by all Owners including the first mortgagee on a pro rata basis. No sale or other transfer shall relieve any Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. A written statement of either the

Developer or the Association that the lien is subordinate to a mortgage shall be dispositive of any question of subordination.

Section 6.13 Exempt Property. The Board shall have the right to exempt any of the Property from the assessments, charges and liens created herein, provided that such part of the Property exempted is used (and as long as it is used) for any of the following purposes:

(a) Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;

(b) All of the Common Property;

(c) Any of the Property exempted from ad valorem taxation by the laws of the State of Florida, to the extent agreed to by the Association.

Notwithstanding any provisions herein, no land or improvements devoted to residential dwelling or related use shall be exempt from such assessments, charges or liens herein created.

ARTICLE VII  
ASSESSMENT FOR EXTERIOR MAINTENANCE  
AND USE AND MAINTENANCE OF LIMITED COMMON AREAS

Section 7.1 Exterior Maintenance. The Association may provide maintenance upon any residence or other improvements located upon any Lot, or any Lot requiring same, when necessary in the opinion of the Board of Directors of the Association to preserve the beauty, quality and value of the neighborhood. Such maintenance shall include but not be limited to paint, repair, roof repair and replacement, gutter, downspouts, exterior building surfaces, and yard cleanup and/or maintenance. The Lot Owner shall have five (5) days, or such other longer period as may be allowed by the Association, within which to perform the required maintenance after being notified in writing by the Association that such maintenance is necessary before the Association undertakes the maintenance.

Section 7.2 Assessment of Costs. The cost of such exterior maintenance shall be assessed against the property upon which such maintenance is performed or, in the opinion of the Board of Directors of the Association, benefiting from same. The assessment shall be apportioned among the properties involved in the manner determined to be appropriate by the Board of Directors of the Association. If no allocation is made, the assessment shall be uniformly assessed against all of the Lots in the affected area. The exterior maintenance assessments shall not be considered a part of the annual or special assessments. Any exterior maintenance assessment shall be a lien on the Lot(s) and the personal obligation of the Owner(s) and shall become due and payable in all respects, together with interest and fees for the cost of collection, as provided for the other assessments of the Association, and shall be subordinate to mortgage liens to the extent provided by Section 6.12 of Article VI above.

Section 7.3 Access. For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot(s) or any portion of the Property or the exterior of any improvements thereon at reasonable hours on any day except Saturday or Sunday. In the case of emergency repairs, access will be permitted at any time with only such notice as, under the circumstances, is practically affordable.

Section 7.4 Use and Maintenance of Limited Common Areas. Notwithstanding any other provision of this Declaration, each Lot Owner shall be responsible for maintaining the grass and other landscaping within the Limited Common Area of his Lot. Each Lot Owner may use the Limited Common Area of his Lot as a yard subject to the rights of the Association to establish rules and regulations governing use and enjoyment of the Common Property and the rights and easements reserved and granted under Article XII and Article XIII of this Declaration including but not limited to the right to locate or relocate roads, paths, walkways and sidewalks within the Common Property. The Lot Owner shall not place or erect any structure within the Limited Common Area other than a driveway as provided under Section 3.1.5 of this Declaration.

ARTICLE VIII  
ARCHITECTURAL CONTROL OF SUBDIVISION  
AND ARCHITECTURAL REVIEW BOARD

Section 8.1 Necessity of Architectural Review and Approval. Except for the initial, original construction of residences and related improvements upon the Lots, no landscaping, improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, driveway or other improvement shall be commenced, erected, placed or maintained upon any Lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same shall have been submitted to, and approved in writing by, the Association. For purposes of this Article VIII, "initial, original construction of residences and related improvements" shall include all improvements commenced on a Lot prior to the issuance of a Certificate of Occupancy by the St. Johns County Building Department, which are completed within three (3) months of the date of issuance of such Certificate of Occupancy. All plans and specifications shall be evaluated as to visual and acoustical privacy and as to the harmony of external design and location in relation to surrounding structures, topography, existing trees and other natural vegetation and as to conformance with the Architectural Planning Criteria for the Property, a copy of which is attached hereto as Exhibit C, as the same may from time to time be amended. It shall be the burden of each Owner to supply four (4) sets of completed plans and specifications to the Architectural Review Board ("ARB") and no plan or specification shall be deemed approved unless a written approval is granted by the ARB to the Owner submitting same. The ARB shall approve or disapprove plans and specifications properly submitted within thirty (30) days of each submission. Any change or modification to approved plans shall not be deemed approved unless a written approval is granted by the ARB to the Owner submitting same.

Section 8.2 Architectural Review Board. The architectural review and control functions of the Association shall be administered and performed by the ARB, which shall consist of three (3) or five (5) members who need not be members of the Association. The Developer shall have the right to appoint all of the members of the ARB, or such lesser number as it may choose, as long as it owns at least one Lot within the Subdivision or undeveloped property contiguous to the Subdivision that Developer has committed to bring within the scheme of development of this Declaration in accordance with the provisions of Article III hereof. Members of the ARB not appointed by Developer shall be appointed by, and serve at the pleasure of, the Board of Directors of the Association. A

majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB, and the action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board of Directors; except that Developer, to the exclusion of the Board, shall fill any vacancy created by the death, resignation, removal or other termination of services of any member of the ARB appointed by Developer.

Section 8.3 Powers and Duties of the ARB. The ARB shall have the following powers and duties:

8.3.1 To recommend amendments of the Architectural Control Criteria to the Board. Any amendment of the Architectural Control Criteria shall be consistent with the provisions of this Declaration, and shall not be effective until adopted by a majority of the members of the Board at a meeting duly called and noticed at which a quorum is present and voting and approved by a majority of the members of the PCAARB, as such term is defined in Section 8.4 below, at a meeting duly called at which a quorum is present and voting. Upon approval by the Board and the PCAARB, notice of any amendment to the Architectural Control Criteria, including a verbatim copy of such amendment shall be delivered to each member of the Association. Provided, however, the delivery to each member of the Association of notice and a copy of any amendment to the Architectural Control Criteria shall not constitute a condition precedent to the effectiveness or validity of such amendment nor shall it be necessary for any amendment to be recorded.

8.3.2 To require submission to the ARB of four (4) complete sets of all plans and specifications for any improvement or structure of any kind requiring review and approval of the ARB pursuant to this Article VIII, including, without limitation, any building, fence, wall, swimming pool, tennis court, enclosure, sewer, drain, disposal system, decorative building, marsh walkway or observation deck, landscape device or object, driveway or other improvement, the construction or placement of which is proposed upon any Lot within the Property, signed by the Owner thereof and contract vendee, if any. The ARB shall also require submission of samples of building materials proposed for use on any Lot, and may require tree surveys to show the effect of the proposed improvements on existing tree cover and such additional information as reasonably may be necessary for the ARB to completely evaluate the proposed structure or improvement in accordance with this Declaration and the Architectural Planning Criteria.

8.3.3 To approve or disapprove in accordance with the provisions of this Article VIII, any improvements or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object or other improvement or change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot and to approve or disapprove any exterior additions, changes, modifications or alterations therein or thereon. All decisions of the ARB shall be submitted to the Board, and evidence thereof may, but need not, be made by a certificate in recordable form executed under seal by the President or any Vice President of the Association. Any party aggrieved by a decision of the ARB shall have the right to make a written request to the Board, within thirty (30) days of such decision, for a review thereof. The determination of the Board upon review any such decision shall be dispositive as to Association approval.

8.3.4 To adopt a schedule of reasonable fees for processing request for ARB approval of proposed improvements. Such fees, if any, shall be payable to the Association, in cash, at the time that plans and specifications are submitted to the ARB.

Section 8.4 Players Club Association Architectural Control. In addition to the architectural and landscaping control requirements established by this Declaration, each Lot is subject to the architectural control of the Players Club Association as provided in the Players Club Covenants. It shall be each Owners responsibility to apply to and receive approval from the Players Club Association prior to construction of any improvements upon a Lot or alterations thereto, including but not limited to initial, original construction of residences and related improvements. In addition to the standards prescribed by the Players Club Covenants, the Players Club Association Architectural Review Board ("PCAARB") shall evaluate all plans and specifications submitted to it for conformance with Architectural Review Criteria attached hereto as Exhibit C. Any architectural review conducted by the Association is subject to review by the PCAARB. The decision of the PCAARB shall be final and supersede any decision of the Association or ARB.

Section 8.5 Compensation of ARB. Members of the ARB shall serve without compensation so long as the Developer retains the right to appoint the members of the ARB. Thereafter, the Board may, at its option, pay reasonable compensation to members of the ARB.

Section 8.6 Limited Liability. In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from the Developer, Association, Players Club Association, ARB, or PCAARB contemplated under this Article, neither the Developer, the Players Club Association, PCAARB, ARB nor the Association shall be liable to an Owner or to any other person on account of any claim, liability, damage or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way related to the subject matter of any such reviews, acceptances, inspections, permissions, consents or required approvals, whether given, granted or withheld by the Developer, the Players Club Association, PCAARB, Association or the ARB.

#### ARTICLE IX OTHER HOMEOWNERS ASSOCIATION AND RESTRICTIONS

Section 9.1 Players Club at Sawgrass. There is an additional homeowner's association to which Owners of Lots within the Subdivision will become members automatically upon the acceptance of a deed to a Lot. The Players Club Association represents residents of the Players Club at Sawgrass, including the Subdivision, and its members are those persons appointed or elected in accordance with its articles of incorporation and bylaws. The Players Club Association, acting through its Board of Directors, shall have certain powers, rights and duties with respect to the Property, and with respect to the Players Club at Sawgrass, all as more particularly set forth in the Players Club Covenants.

Section 9.2 Lien rights. The Players Club Association is entitled to a lien upon a Lot for any unpaid assessment for expenses incurred or to be incurred by the Players Club Association in the fulfillment of its maintenance, operation and management responsibilities as described in the Declaration of Covenants for the Players Club at Sawgrass.

Section 9.3 Collection of Players Club Association Assessments. For the convenience of the Owners, the Board of Directors of the Association may elect and agree to collect assessments due the Players Club Association pursuant to the Players Club Covenants, from the Owners in the same manner and at the same time as assessments due the Association are collected. Collection of assessments due the Players Club Association by the Association pursuant to this Section 9.3 shall not in any way limit or impair the respective rights of either the Association or Players Club Association to enforce collection of assessments we provided in this Declaration and in the Players Club Covenants.

Section 9.4 Responsibilities of this Association. If for any reason the Association refuses or fails to perform the obligations imposed on it under the terms of this Declaration, and under any other documents relevant to the Property, the Players Club Association shall be and is hereby authorized to act for and in behalf of the Association in such respect that the Association has refused or failed to act, and any expenses thereby incurred by the Players Club Association shall be reimbursed by the Association.

#### ARTICLE X USE RESTRICTIONS

Section 10.1 Residential Use. The Lots subject to these Covenants and Restrictions may be used for residential living units and for no other purpose except that one or more Lots may be used for model homes during the development and sale of Lots within the Property. The model homes may be used to promote the sale of homes and options solely within the subdivision. No business or commercial building may be erected on any Lot and no business may be conducted on any part thereof. No building or other improvements shall be erected upon any Lot without prior ARB and PCAARB approval thereof as elsewhere herein provided. No Lot shall be divided, subdivided or reduced in size without the prior written approval of the ARB and PCAARB and no Lot shall be divided, subdivided or reduced in size unless each divided or subdivided portion thereof is consolidated with one or more contiguous Lots under one ownership; provided that, if the ARB and PCAARB shall first have specifically approved the same, a Lot may be subdivided for the purpose of increasing the size of only one contiguous Lot so long as the portion of the divided Lot which remains unconsolidated as a single Lot shall have a total area at least ninety-five percent (95%) as large as the then smallest Lot (in area) in the Subdivision. The division, subdivision, consolidation, or reduction in size of any Lot shall not reduce the total assessments attributable to the Lot as originally platted. In the event of the subdivision and consolidation of any Lot(s) as aforesaid, the obligation for Association expenses attributable to the subdivided Lot(s) shall be and become proportionately attributable and chargeable to the contiguous Lot(s), and the Owner(s) thereof, to and with which all portions of the divided or subdivided Lot(s) become consolidated. In the event that one or more Lots are developed as a unit, the provisions of this Declaration shall apply thereto as a single Lot except as to assessments provided for herein. No dwelling or other structure or improvement shall be erected, placed or permitted to remain on any building site which does not include at least one (1) full platted Lot according to recorded plats of the Subdivision unless the ARB gives its prior written consent. The total ground area to be occupied by single family residences to be constructed within the subdivision shall not exceed thirty-five percent (35%) of the ground area of the Lot or building parcel, upon which such residences are located.

Section 10.2 No Temporary Buildings. No tents, trailers, tanks, shacks or temporary or accessory buildings or structures shall be erected or permitted to remain on any Lot without written consent of the Developer. Commercial vehicles shall not be parked within public view on a regular basis. Construction trailers may be parked during the initial construction phase only with the express written consent of the Developer and in an area designated by Developer.

Section 10.3 Antenna. No aerial, antenna or satellite dish shall be placed or erected upon any Lot, or affixed in any manner to the exterior of any building within the Property.

Section 10.4 Boats and Motor Vehicles. No boat, recreational vehicles or other motor vehicles, except four wheel passenger automobiles, shall be placed, parked or stored upon any Lot unless approved by the Board of Directors, nor shall any maintenance or repair be performed upon any boat or motor vehicles upon any Lot, except within a building where totally isolated from public view.

Section 10.5 Protection of Trees. No tree or shrub, the trunk of which exceeds four (4) inches in diameter one (1) foot above natural grade, shall be cut down, destroyed or removed from a Lot without the prior express written consent of the ARB and PCAARB.

Section 10.6 Artificial Vegetation. No artificial grass, plants or other artificial vegetation shall be placed or maintained upon the exterior portion of any Lot, unless approved by the ARB and PCAARB.

Section 10.7 Automobile Storage Areas. Every residence constructed within the Property shall have an attached garage or other automobile storage area approved by the PCAARB, and ARB, if applicable, and no such garage or area may be permanently converted to another use without the substitution of another such garage or area.

All garages and other automobile storage areas shall contain at least enough space to park two full sized automobiles. (Wherever possible, garage entrances shall be located on the side of the Residence rather than the front.) All garage doors must be maintained in a useful condition, be operated by electric door openers, and be kept closed when not in use.
