Section 4.02 Classes and Voting

The Association shall have such classes of membership, which classes shall have such voting rights, as are set forth in the Articles of the Association.

ARTICLE V. COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 5.01 Creation of the Lien and Personal Obligation of Assessments

Each Owner of a Lot in Water Oak hereby covenants, and by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the

Association any annual assessments or charges, and any special assessments for capital improvements or major repair; such assessments to be fixed, established and collected from time to time as hereinafter provided. All such assessments, together with interest thereof from the due date at the highest lawful rate and costs of collection thereof (including reasonable attorney's fees), shall be a charge on the land and shall be a continuing lien upon the Lot(s) against which each such assessment is made, and shall also be the personal obligation of the Owner. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment.

Section 5.02 Purpose of Assessments

The annual and special assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in Water Oak and in particular for the improvement and maintenance of the Common Area and of any easements in favor of the Association, including, but not limited to, the cost of taxes on the Common Area, insurance, labor, equipment, materials, management, maintenance and supervision thereof, as well as for such other purposes as are permissible activities of , and undertaken by the Association.

Section 5.03 Amount of Annual Assessments

The Board of Directors of the Association (the "Board") shall fix the assessments, which shall be in amounts determined in accordance with the projected financial needs of the Association, as to which the decision of the Board shall be dispositive.

Section 5.04 Uniform Rate of Assessments

All regular and special assessments shall be at a uniform rate for each Lot.

Section 5.05 Special Assessments

In addition to any annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of any improvement located within the Common Area, or any other unanticipated expense, provided that any such assessment shall have the assent of not less than two-thirds (2/3) of the members of the Board.

Section 5.06 Date of Commencement of Annual Assessments; Due Dates

The assessments for which provision is herein made shall commence on the date or dates (which shall be the first day of a month) fixed by the Board to be the date of commencement. The due date of any assessment shall be fixed in the resolution authorizing such assessments, and any such assessment shall be payable in advance in monthly, quarterly, semi-annual or annual installments, as determined by the Board.

Section 5.07 Duties of the Board of Directors

The Board shall fix the date of commencement, and the amount of the assessment against each Lot, and other portions of the Property, for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. The Association shall, upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. The Association may charge a reasonable fee for providing such certificate.

Section 5.08 Unpaid Assessments

If any assessment or installment thereof is not paid within ten (10) days after the applicable due date, the Association shall have the right to charge the defaulting Owner a late fee of five percent (5%) of the amount of the unpaid assessment, or Twenty-five and No/100 Dollars (\$25.00), whichever is greater, or as otherwise adopted by the Board from time to time, plus interest at the then highest rate of interest allowable by law from the due date until paid. If there is no due date applicable to any particular assessment, then the assessment shall be due ten (10) days after written demand by the Association. If any Owner is in default in the payment of any assessment owed to the Association for more than forty-five (45) days after written demand by the Association, the Association upon written notice to the defaulting Owner, shall have the right to accelerate and require such defaulting Owner to pay the assessments due to the Association for the next twelve (12) month period, based upon the then existing amount and frequency of assessments. In the event of such acceleration, the defaulting Owner shall continue to be liable for any increases in the annual assessments, for all special assessments, and for all other assessments or charges payable to the Association. If any assessments are not paid on the date when due, then such assessments and any late fees, interest and costs of collection shall become a continuing lien on the applicable Lot, which shall bind such Lot in the hands of the Owner, and such Owner's heirs, devisees, personal representatives, successors and assigns. Any individual who acquires title to a Lot upon the death of an Owner or by operation of law shall be personally liable for unpaid assessments, late fees, interest and costs of collection with respect to such Lot. In any voluntary conveyance, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments, late fees, interest and costs of collection accruing prior to the time of such voluntary conveyance, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefor. The Association may bring an action at law against the Owner personally obligated to pay the same or may record a claim of lien against the Lot on which the assessments are unpaid, or may foreclose the lien against the Lot on which the assessments are unpaid, in like manner as a foreclosure of a mortgage on real property, or pursue one or more of such remedies at the same time or successively, and there shall be added to the amount of all such assessments, late fees, interest, attorney's fees and costs of collection incurred by the Association in connection with such unpaid assessments. In the event a judgment is obtained, such judgment shall include all such late fees, interest, attorney's fees and costs of collection in addition to the amount of all unpaid assessments. The Association shall also be entitled to recover reasonable attorney's fees in connection with any appeal of any such action or

in connection with any bankruptcy proceedings. It shall be the legal duty and responsibility of the Association to enforce payment of all assessments hereunder; provided however, nothing contained in this Restated Declaration shall prevent the Board from exercising reasonable discretion in connection with the settlement of any dispute relative to the payment of assessments or other charges due to the Association.

Section 5.09 Subordination of the Lien to First Mortgages

The lien of assessments, including interest, late fees, attorney's fees and costs of collection provided for herein, shall be subordinate to the lien of any first mortgage encumbering any Lot. The sale or transfer of any Lot shall not affect the Association's assessment lien. However, the sale or transfer of any Lot or parcel pursuant to a judicial foreclosure or deed in lieu of foreclosure of a first mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve any Lot from lien rights for any assessments thereafter becoming due, and nothing contained herein shall relieve any lender or any other party from the obligation to pay assessments as required by Section 720.3085(c), *Florida Statutes* (2008) as the same may be amended from time to time, or any similar statute, rule or local ordinance.

Section 5.10 Exempt Property

The Board shall have the right to exempt any of the Property from the assessments, charge and lien created herein provided that such part of the Property exempted is used (and as long as it is used) for any of the following purposes:

- A. Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;
- B. All of the Common Area as defined in Article I hereof;
- C. Any of the Property exempted from ad valorem taxation by the laws of the State of Florida, to the extent agreed to by the Association.

Notwithstanding any provisions herein, no land or improvements devoted to residential dwelling or related use shall be exempt from said assessments, charges or liens.

Section 5.11 Transfer Fee

The Association reserves the right to establish a transfer fee to be paid by an Owner upon the transfer or conveyance of such Owner's Lot, which fee and procedures therefor shall be established by the Board.

ARTICLE VI. EXTERIOR MAINTENANCE ASSESSMENT

Section 6.01 Exterior Maintenance

In addition to maintenance upon the Common Area the Association may provide upon any Lot or improvement located thereon requiring same, when necessary in the opinion of the Board to preserve the beauty, quality and value of the neighborhood, maintenance and repair, including but not limited to paint, repair, roof repair and replacement, gutters, downspouts, exterior building surfaces, and yard cleanup and/or maintenance.

Section 6.02 Assessment of Costs

The cost of such maintenance shall be assessed against the Property upon which such maintenance is performed or, in the opinion of the Board, benefiting from same. The assessment shall be apportioned among the Lots involved in the manner determined to be appropriate by the Board. If no allocation is made, the assessment shall be uniformly assessed against all of the Lots in the affected area. The exterior maintenance assessments shall not be considered a part of the annual or special assessments. Any exterior maintenance assessment shall be a lien on the Lot(s) and the personal obligation of the Owner(s) and shall become due and payable in all respects, together with interest and fees for the cost of collection, as provided for the other assessments of the Association, and shall be subordinate to mortgage liens, all as provided in Section 5.09 hereof.

Section 6.03 Access

For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot or any other portion of the Property or the exterior of any improvements thereon at reasonable hours on any day except Saturday or Sunday. In the case of emergency repairs, access will be permitted at anytime with only such notice as, under the circumstances, is practically affordable.

ARTICLE VII. ARCHITECTURAL CONTROL OF WATER OAK AND ARCHITECTURAL REVIEW BOARD

Section 7.01 Necessity of Architectural Review and Approval

No landscaping, improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement shall be commenced, erected, placed or maintained upon any Lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same shall have been submitted to, and approved in writing by, the Association. All plans and specifications shall be evaluated as to harmony of external design and location in relation to surrounding structures and topography and as to conformance with the Architectural Criteria for Water Oak, as the same may from time to time be amended by the Board. It shall be the burden

of each Owner to supply completed plans and specifications to the Association or the Architectural Review Board ("ARB") appointed by the Board, and no plans or specifications shall be deemed approved unless a written approval is granted by the Association or the ARB to the Owner submitting same. Any change or modification to approved plans shall not be deemed approved unless a written approval is granted by the Association or the ARB to the Owner submitting same. Any change or modification to approved plans shall not be deemed approved unless a submittal and written approval thereof is granted.

Section 7.02 Architectural Review Board

The architectural review and control functions of the Association shall be administered and performed by the ARB, which shall consist of not more than five (5) members who need not be members of the Association. The Board shall have the right to appoint all of the members of the ARB. A majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB, and the action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board.

Section 7.03 Powers and Duties of the ARB

The ARB shall have the following powers and duties:

A. To recommend to the Board from time to time, modifications and/or amendments to the Architectural Criteria. Any modification or amendment to the Architectural Criteria shall be consistent with the provisions of this Restated Declaration, and shall not be effective until adopted by a majority of the members of the Board. Notice of any modification or amendment to the Architectural Criteria, including a verbatim copy of such change or modification, shall be delivered to each member of the Association; provided that, the delivery to each member of the Association of notice and a copy of any modification or amendment to the Architectural Criteria shall not constitute a condition precedent to the effectiveness or validity of such change or modification.

B. To require submission to the ARB of four (4) complete sets of all plans and specifications for any improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement, the construction or placement of which is proposed upon any Lot in Water Oak, signed by the Owner thereof. The ARB shall also require submission of samples of building materials proposed for use on any Lot, and may require such additional information as reasonably may be necessary for the Board to completely evaluate the proposed structure or improvement in accordance with this Restated Declaration and the Architectural Criteria.

C. To approve or disapprove any improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object or other improvement or change or modification thereto, the construction, erection, performance or

placement of which is proposed upon any Lot in Water Oak and to approve or disapprove any exterior additions, changes, modifications or alterations therein or thereon. All decisions of the ARB shall be submitted in writing to the Board, and evidence thereof may, but need not, be made by a certificate, in recordable form, executed under seal by the President or any Vice President of the Association. Any party aggrieved by a decision of the ARB shall have the right to make a written request to the Board, within thirty (30) days of such decision, for a review thereof. The determination of the Board upon reviewing any such decision shall be dispositive.

D. To adopt a schedule of reasonable fees for processing request for ARB approval of proposed improvements. The amount of such fees, if any, shall be determined by the Board from time to time and shall be payable to the Association, in cash, at the time that plans and specifications are submitted to the ARB.

Section 7.04 Limited Liability

In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from the Association or the ARB contemplated under this Article, neither the Association nor the ARB shall be liable to an Owner or to any other person on account of any claim, liability, damage or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way related to the subject matter of any such reviews, acceptances, inspections, permissions, consents or required approvals, whether given, granted or withheld by the ARB.

ARTICLE VIII. OTHER HOMEOWNERS ASSOCIATIONS AND RESTRICTIONS

Section 8.01 Players Club at Sawgrass

There is an additional homeowner's association to which Owners of Lots in Water Oak will become members automatically upon the acceptance of a deed to a Lot. The Sawgrass Players Club Association, Inc. ("Players Club Association") represents residents of the Players Club at Sawgrass, including Water Oak, and its members are those persons appointed or elected in accordance with its articles of incorporation and bylaws. The Players Club Association, acting through its Board of Directors, shall have certain powers, rights and duties with respect to the Property, and with respect to the Players Club at Sawgrass, all as more particularly set forth in the Players Club Declaration, as the same may be amended from time to time.

Section 8.02 Lien Rights

ARTICLE IX. RESTRICTIONS

Section 9.01 Residential Use

The Lots subject to these Covenants and Restrictions may be used for residential living units and for no other purpose, provided however, home offices shall be permitted subject to such reasonable conditions as may be imposed by the Board. No business or commercial building may be erected on any Lot and no business may be conducted on any part thereof. No building or other improvements shall be erected upon any Lot without prior ARB approval thereof as elsewhere herein provided. No Lot shall be divided, subdivided or reduced in size unless each divided or subdivided portion thereof is consolidated with one or more contiguous Lots under one ownership; provided that, if the ARB shall first have specifically approved the same, a Lot may be subdivided for the purpose of increasing the size of only one contiguous Lot so long as the portion of the divided Lot which remains unconsolidated as a single Lot shall be the total area at least ninety-five percent (95%) as large as the then smallest Lot (in area) in Water Oak. In the event of the subdivision and consolidation of any Lot(s) as aforesaid, the obligation for Association assessments attributable to the subdivided Lot(s) shall be and become proportionately attributable and chargeable to the contiguous Lot(s), and the Owner(s) thereof, to which all portions of the divided or subdivided Lot(s) become consolidated, as determined by the Board. In the event that one or more Lots are developed as a single unit, the provisions of this Restated Declaration shall apply thereto as a single Lot except as to assessments provided for herein. Without the express prior consent and approval of the ARB, no dwelling or other structure or improvement shall be erected, altered, placed or permitted to remain on any site not including at least one (1) full platted Lot according to the recorded plat of Water Oak.

No carports shall be permitted unless approved by the ARB and all garages shall contain at least 400 square feet of usable space appropriate for the parking of automobiles. All garages must have doors which shall be maintained in a useful condition, shall be operated by electric door openers and shall be kept closed when not in use. No automobiles shall be parked in the roadways within Water Oak on a daily basis. Golf carts shall be kept either in enclosed garages or stored at the rear of the applicable residence so as not to be visible from any street immediately adjacent to the Lot on which such residence is located.

Section 9.08 Landscaping

An initial basic landscaping plan for each Lot, together with a detailed written estimate of the costs of such plan, must be submitted to and approved by the ARB at the time of construction of a home on such Lot. All landscaping plans submitted to the ARB for approval shall be prepared and certified by a registered landscape architect licensed under the laws of the State of Florida. The Owner of such Lot shall be required to expend a minimum of Five Thousand Dollars (\$5,000.00) in landscaping upon such Lot said amount to be based upon the value given by a nursery, exclusive of sodding, fill, grading, mulch, irrigation and design fees. Sodding will be required on all yards. No seeding and/or sprigging shall be permitted. An underground

In the event of a dispute or question as to what may be or become a nuisance, such dispute or question shall be submitted to the Board, which shall render a decision in writing, which decision shall be dispositive of such dispute or question. No immoral, improper or unlawful use shall be made of the Property and all valid laws, zoning ordinances and regulations of governmental agencies having jurisdiction thereof shall be complied with.
